NEWS FROM

This winter, we are working alongside Dorset Council to provide extra spaces, ensuring no one has to sleep rough in freezing temperatures.

Our emergency accommodation is free to access, offering people a warm and safe place to sleep, a hot meal and specialist support to help them take positive steps forward.

Some nights this month, we've seen the highest demand for this service in DENS' history. Your support makes it possible for us to provide warmth and hope when people need it most.
