### Advance Notice

From April 30th - May 2nd 2022 we will - Covid allowing - be holding an 'Extravaganza' in and around St Mary's Church. Craft demonstrations, model railways, trains, planes and automobiles. We will need your help with set up and take down, marshalling and welcoming, security, catering and much more. Further info to follow soon.

## Face coverings in church

Face coverings are currently mandatory on public transport and in a range of indoor venues including places of worship. While there are exemptions, this is a legal requirement. 3 Coronavirus (COVID-19) can spread predominantly by droplets and perhaps aerosols (which can linger in the air) from coughs, sneezes and speaking. The best available scientific evidence is that, when used correctly, wearing a face covering can reduce the spread of coronavirus droplets and aerosols in certain circumstances, helping to protect others. Because face coverings are mainly intended to protect others, not the wearer, from coronavirus (COVID-19) they are not a replacement for physical distancing and regular hand washing.
