Rectory parking restrictions

For those parking at St Mary's please be aware that I have been advised than no large vehicles should park on the grass at the top by the garages until work has been carried out by the diocese on the retaining wall (They don't specify what a large vehicle is however). So small cars only, not many, and not near the wall please as we don't want you to end up in the neighbours gardens below! You can park for the Sunday services in the Rectory car park itself BUT please ensure that I can get my car in and out for a speedy run up to St Paul's when required! Thanks, Canon John
